DUPLEX

COM 20

Model with two slatted beds. The top bed can be pulled forward away from the backrest, while the bottom pull-out bed is manually opened. It allows the formation of either a double bed or two single beds. This mechanism is available in two sizes and can be used with any type of mattress.

Modello con due letti a doghe. Il letto superiore ha la possibilità di avanzare per potersi distaccare dallo schienale, mentre quello inferiore estraibile ha apertura manuale. Permette di formare un letto matrimoniale o due singoli. Questo meccanismo è prodotto in due misure e può utilizzare qualsiasi tipo di materasso.
