COM 35 **SCILLA**

DL *version with wide slats*

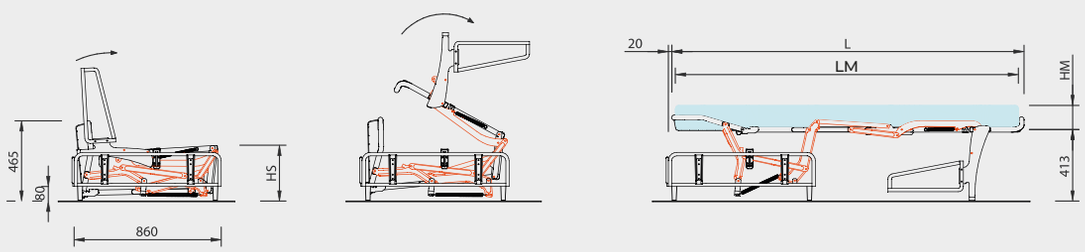

SCILLA

Mattress cm 12 - 14 - 18 - 21

Scilla is the answer to new market demands. This mechanism offers great versatility combined with rapid implementation in existing production lines. The model is available with either an 8 cm or 13 cm foot. To satisfy the needs of the most demanding markets, this model has been designed to support a 12 cm or 14 cm, 18 cm and 21 cm high polyurethane mattress, up to 200 cm in length. Minimum opening and closing effort thanks to its perfectly balanced movement. The mechanism can also be supplied in a welded wire mesh version with technopolymer supports, with steel springs, or an orthopaedic version with plywood slats.

Scilla è la risposta alle nuove esigenze di mercato. Questo meccanismo è infatti caratterizzato da una grande versatilità unita alla rapidità di implementazione in una linea produttiva avviata. E' un modello disponibile sia nella versione con piede da 8 cm sia in quella con piede da 13 cm. Per venire incontro ai mercati più esigenti questo modello è stato pensato per contenere un materasso in poliuretano alto 12 o 14 cm, 18 cm e 21 cm, e lungo fino a 200 cm. Minimo sforzo di apertura e chiusura, grazie alla sua movimentazione perfettamente bilanciata. Il meccanismo può essere richiesto anche in versione con rete elettrosaldata con supporti in tecnopolimero, con molle in acciaio, oppure ortopedica con doghe in legno multistrato.
